--	--	--

Time: 28 September – 2 October 2026

Venue: Bundespolizeiakademie (Federal Police Academy)
Schwartauer Landstrasse 1-5
23554 Lübeck
Germany

Course

Director: Markus Feilke

Notice: **Arrival until 27 September 2026, 22h00**
Course starts 28 September 2026, 08h30

Course aims: By the end of the course, participants

- recognize and reflect upon the role of culture, cultural diversity and challenges in the context of peace operations,
- communicate effectively and sensitively in culturally diverse settings including between military, civilian and police mission staff,

- know how to use tools for trust- and teambuilding in mission contexts,
- analyse interpersonal/intercultural conflicts in mission contexts and are aware of their own responses to them, and
- apply strategies and techniques to manage interpersonal/intercultural conflicts.
- understand the concept and styles of leadership, including commonalities and difference for military, civilians and police,
- apply leadership techniques to empower and motivate a team,

Seminar language: English

Target group: The course is geared towards civilian, police and military experts who have worked or who will be working in peace operations or in respective functions in organisations HQs.

Dress code: smart casual
